LIVING BETTER WITH CHRONIC CARE MANAGEMENT

Your TeleCARE care team is your personal healthcare concierge. Think of us as your healthcare assistant.

YOUR CARE TEAM PROVIDES:

- ✓ Scheduled calls on your terms, we follow your lead
- ✓ Medication support and reminders
- ✓ Appointment scheduling and reminders
- ✓ Help finding programs you qualify for, both state and federal
- ✓ 1 in 4 Medicare patients qualify for additional programs and care services they do not currently receive

WHAT IS CHRONIC CARE MANAGEMENT (CCM)?

CCM is a Medicare-covered service providing 20+ minutes of dedicated care each month, outside of regular office visits.

BENEFITS INCLUDE:

- ✓ Better communication with your care team
- ✓ Improved medication management
- ✓ Fewer emergency room visits
- ✓ Stay healthier between visits with your doctor
- ✓ Better quality of life

GETTING STARTED with TeleCARE CCM

WHAT IS CHRONIC CARE MANAGEMENT?

CCM is a Medicare-supported program for patients with 2 or more ongoing health conditions. A dedicated TeleCARE care team supports your health between doctor visits, by phone, on your schedule. Additional resources are available to you.

DO YOU QUALIFY?

- ✓ Medicare
- ✓ 2 or more ongoing chronic conditions
- ✓ Need ongoing support managing your health

Conditions may include: diabetes, high blood pressure, heart disease, COPD or asthma, arthritis, kidney disease, depression, and other long-term conditions.

4 EASY STEPS

- 1 Talk to your doctor about why CCM is right for you.
- 2 Enroll. Your TeleCARE care team will schedule your first call.
- 3 Stay connected with regular check-ins and support.
- 4 Enjoy the benefits of concierge care from the comfort of home.

FREQUENTLY ASKED QUESTIONS

Is there a cost to me?

CCM is covered by Medicare. You may have a small co-pay depending on your supplemental coverage. Ask your provider for details.

How much time is required?

Little to none. We work quietly in the background with your current care team.

Will this replace my doctor?

No. TeleCARE works alongside your existing provider. We enhance your care and we never replace your physician relationship.
